

The weather outside is frightful. You still have to go to work, but school is out. What's a parent to do? The best thing to do is have a plan especially if you are a single parent or a two working parent home & neither can be off work. If your child is not old (or mature) enough to stay at home by himself, please do not leave them alone. Maybe there is a teen in your family or your neighborhood that would sit for you on those days. Some daycare centers have care available during school out days. So many options available. Be creative.

"You must pray with all your might. That does not mean saying your prayers, or sitting gazing about in church with eyes wide open while someone else says them for you. It means fervent, effectual, untiring wrestling with God... This kind of prayer be sure the devil and the world... will oppose. They will pour water on this flame." —William Booth

## CFBC Celebrates Black History Month: By the Content of Their Character...

All CFBC Church Family Members are invited to come together for an evening to celebrate black heritage. The affair is titled, "...By The Content of Their Character..." Red and yellow, black and white are all precious in God's sight. We'll dine on some good soul food (bring a dish to share if you will) between 5 and 6:30p, then we'll come together and see some of the finest talent in Kansas City who will dance, who will present original and written poetry and who will bless us with song. It's not too late if you want to be on the program, too! You won't want to miss this celebration. Invite a friend or family member to join you for an exciting evening!
